GURU KOWHIK. ANUMOLU

www.linkedin.com/in/guru-kowshik-anumolu-7114b31b6 ● 331.274.7977 ● kowshik2532@gmail.com ● Chicago, IL

SKILLS:

Python, Django, NumPy, Pandas, AutoCAD, Matplotlib, SciPy, Machine Learning, Database Administration, Selenium, Web Scraping, NLP, TensorFlow.

ANALYTICAL/TECHNICAL EXPERTISE:

CERTIFICATIONS:
- IBM Data Science, Selenium, IBM Full Stack Web Developer, Data Analysis with Python, Data Visualization

    LANGUAGES:
- C, Python, Javascript, SQL

WEB:
- HTML, HTML5, CSS

APPLICATIONS:
- Microsoft Office, Microsoft Project, MySQL, SQL Server, Salesforce, Oracle, Google Docs

EDUCATION:

Master of Science in Data Science	Expected: August 2025
Lewis University, Romeoville, IL	GPA: 3.77/4.0
Bachelor of Technology	May 2023
National Institute of Technology, Agartala	GPA: 3.6/4.0
Agartala, Tripura, India	
Majors: Civil Engineering	

PROFESSIONAL EXPERIENCE:

Software Developer	June 2023 – December 2023
Axis My India, Mumbai, India	
Internship Trainee	November 2022 – May 2023
Qbec Infosol, Chennai, India	
Engineer Intern	Summer 2021
Larsen and Toubro, Aurangabad, India	

PROJECTS:

Research Project: Cost Modeling
National Institute of Technology, Agartala
- Achieved precise estimation and costing and revolutionized decision-making with efficient and data-driven approaches, particularly in predicting building costs.

Stock Price Predictor
- Developed the Stock Price Predictor leveraging historical stock market data.
- Implemented machine learning algorithms to analyze past trends and patterns.

E-Shop
- Created an E-shop, an e-commerce web application, using Django and Python for the backend.
- Integrated machine learning algorithms to provide personalized product recommendations.
